Secrets of the Kingdom

The Parables of Jesus

Jesus used story telling to teach his disciples –and us– about what it means to live in his kingdom. These stories are called parables.

- ▶ Together we will look to the Master Storyteller, Jesus himself, to discover a new parable each day and invite the Holy Spirit to teach us through these sacred stories.

▶ Here's the **first** way you and your congregation can help:

Challenge your membership - even if you have few or no youth members - to send kids to camp!

Send at least two youngsters to camp this summer!

As we become an increasingly urban society, many children never have the opportunity to witness the wonder of God's creation up close. Each church is asked to send two children to camp this year. These might be children or grandchildren in your congregation or children in your neighborhood who need to feel the grace of God at work.

Energizers at the Crain Center.

▶ Here's the **second** way you and your congregation can help:

- A tax deductible donation to the Grace @ Gilmont **Camp Scholarship Fund** will support the camping program for youngsters.
- A portion of your congregation's Pentecost Offering can be donated to the Campership Fund. Call Gilmont if you have any questions about how to do this at 903-797-6400.

**Support Camperships!
\$ 1,000 will cover 1/3 of the cost of camp for 5 campers !**

Trust Walk, Summer Camp 2011.

▶ **The third way you and your congregation can help is to make a commitment to pray for the campers and the staff.**
